

PREVENTING FALL RELATED INJURIES IN GEORGIA

A Collaborative Resource Provided by the Georgia Committee for Trauma Excellence

Fall Prevention Social Media Guide #PreventTrauma #PreventFallsGeorgia #FallsFreeGA

This guide is to help trauma centers and partners utilize social media platforms to support and promote fall prevention in older adults. Please feel free to share this material with your partners in prevention.

Share Fall Prevention messages on Facebook, Instagram, and Twitter

Step 1: Follow Georgia Trauma Foundation on Facebook and Twitter!

Find us on Twitter: <https://twitter.com/georgiatrauma>

Find us on Facebook: <https://www.facebook.com/georgiatrauma/community>

Follow us to comment, share, like, repost and re-tweet relevant content. You can also find out what our partners are doing for Fall Prevention Awareness Week.

Step 2: Start posting!

We've included sample posts below, or you can come up with your own messages tailored to your organization and community. Be sure to use **#PreventFallsGeorgia #PreventTrauma #FallsFreeGA** in all your posts to make our collective voices stronger and raise awareness during Fall Prevention Awareness Week!
