DRIVING CHANGE IN

Trauma Care

Saturday, May 18, 2024

PORSCHE MUSEUM & EXPERIENCE CENTER

One Porsche Drive, Atlanta, GA 30354

6:00pm - 10:00pm

About Georgia Trauma Foundation

Georgia Trauma Foundation is a champion for the state's trauma system.

We are passionate about saving lives because we know that, as the number one killer of people under 45, trauma is a major threat to our health and well-being. That's why, since 2013, we have been working to make Georgia safer and more ready to treat trauma. We do this by providing resources to help ensure all Georgians have access to quality trauma care when they need it.

Who Benefits?

We All Do

Every Georgian, at some point, could come face-to-face with trauma. It is not a question of IF you will experience trauma but WHEN. Motor Vehicle Crash. Serious Fall. Sports Injury. ATV Accident. Intentional Injury. It does not matter who you are or what you do, it could happen to you, someone you know, or someone you care about.

That's why Georgia Trauma Foundation is here to help. We're dedicated to elevating the standard of care, so that when trauma strikes, you can get the best care possible. Your support helps us to sustain and enhance the delivery of trauma care services, touching lives across Georgia in their most critical moments.

The Event

Raising money and awareness to address the needs of Georgia's trauma system

The Porsche Experience

Don't miss this exclusive opportunity to experience the exhilaration of Porsche's engineering excellence while supporting a vital cause. You will be treated to delicious food and drinks, while also getting to explore the Porsche Museum's fascinating exhibits. Then, buckle up for a thrilling ride with a professional driver as you immerse yourself in the ultimate, adrenaline-pumping, sports car experience. You will also have the chance to win amazing travel packages in our silent auction.

The evening's immersion experience continues as guests will be part of the program and a trauma care simulation. The simulation will show the readiness required by healthcare teams when the call comes in to treat a trauma patient. After a short program, we will end the night with music and dancing.

By sponsoring this event, you will show your commitment to improving the quality and accessibility of care for the thousands of Georgians affected annually by traumatic injuries. You will also benefit from the visibility and recognition of your organization among a highly engaged and influential audience.

Sponsorship Levels

*Every individual in Georgia deserves access to quality, medical care in times of crisis.
Unfortunately, this is not a reality for everyone.*

You can make a difference by supporting this event and helping us improve trauma care in the state. By becoming a sponsor, you will be part of a movement that saves lives and makes Georgia a safer place for everyone.
